

REMARKS/ARGUMENTS

This Preliminary Amendment amends original Claims 3, 5, 6, and 10, to produce new amended claims that are not multiply dependent in order to reduce official fees. Once examination on the merits has begun, the Applicants may elect to amend newly amended Claims 3, 5, 6, and 10 to make these claims multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims.

This Preliminary Amendment also cancels claims 15-17 as they are omnibus claims.

The Preliminary Amendment also replaces the abstract with a new abstract that is one paragraph and less than 150 words.
